PURCHASED GAS ADJUSTMENT)	
CLAUSE)	

O R D E R

On December 1, 1981, this Commission issued its Order in Case No. 8256, approving certain adjustments in the rates of Delta Natural Gas Company, Inc., ("Delta") and providing under certain conditions for the further adjustment of rates when the wholesale cost of gas is increased, decreased or refunds are received.

On February 1, 1982, Delta received from one of its suppliers, Columbia Gas Transmission Corporation ("Columbia") notification of a rate increase effective March 1, 1982, as reflected in Columbia's Seventy-ninth Revised Tariff Sheet No. 16 and Twenty-seventh Revised Tariff Sheet No. 16A.

On September 25, 1981, Delta entered into an agreement to purchase natural gas from LP Energy Associates produced in Bell County, Kentucky.

The notice set out certain information in compliance with its purchased gas adjustment clause on file with this Commission.

The notice also set out certain revisions in rates which Delta proposed to place into effect, said rates being designed to pass on the wholesale price of its supplier in the amount of \$2,079,481 or \$0.3716 per Mcf.

Delta, in compliance with its tariff and previous Orders of this Commission, submitted with its notice certain information including verification of the rates and charges of its suppliers.

After reviewing this evidence of record and being advised, the Commission is of the opinion and finds that:

(1) Delta shall experience an increase in the wholesale cost of gas purchased from Columbia effective March 1, 1982.

(2) On September 25, 1981, Delta entered into an agreement to purchase natural gas from LP Energy Associates produced in Bell County, Kentucky.

(3) Delta's adjustment in rates under the purchased gas adjustment clause approved by the Commission in its Order in Case No. 8256 dated December 1, 1981, is fair, just and reasonable, in the public interest and should be effective with gas supplied on and after March 1, 1982.

IT IS THEREFORE ORDERED that the purchased gas adjustment contained in Appendix A of this Order be and hereby is approved, effective on and after March 1, 1982.

IT IS FURTHER ORDERED that Delta shall maintain its records in a manner that will enable it or the Commission or any of its customers to determine the amount to be refunded and to whom due in the event a refund is ordered by the Commission.

IT IS FURTHER ORDERED that within 30 days after the date of this Order, Delta shall file with this Commission its revised tariff sheets setting out the rates approved herein.

IT IS FURTHER ORDERED that the information furnished this Commission by Delta on February 5, 1982, constitutes full compliance with the Commission's requirements and Order in Case No. 8256, and any other information ordinarily required to be filed under the Commission's regulations is hereby waived.

Done at Frankfort, Kentucky, this 24th day of February, 1982.
